

Showman GT

BUMPER PULL

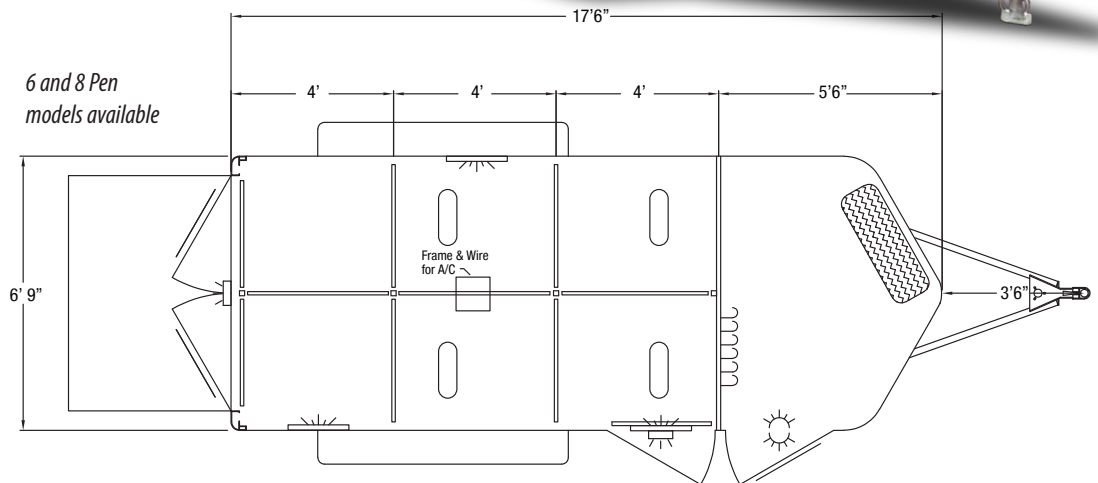

The Showman GT bumper pull by Sundowner Trailers offers a stylish design with even more added features for showmen and breeders. It comes standard with a lined and insulated roof, wired for AC, roof vents, fold down slats, double rear doors with sliding windows... and that's just getting started. Regardless of the stock you are hauling, the Showman GT can be designed and built to your specific needs. It is built with quality and safety in mind, and with the style you want.
